

1 CE AVAILABLE

“Strategy or Risk: The use of midlines”

Tim Spenser, RN, VA-BC™

Join us

Tuesday, February 19th

6:00pm Networking

6:45 Dinner and Presentation 1 CE

Roy's

8670 Genesee Avenue

San Diego, CA. 92122

Objectives:

- Recognize the appropriate clinical use of midline catheters
- Review current practice and evidence regarding midline use
- Review policy structure to ensure inclusion of critical elements
- Identify appropriate strategies and use of technology to optimize midline catheter outcomes
