Educational Presentation

Strategy or Risk: The Use of Midline Catheters

Amy Bardin EdD, MS, RRT, VA-BC

Objectives: Upon completion of this program, the nurse will be able to:

1. Recognize the appropriate clinical use of midline catheters
2. Review current practice and evidence regarding midline use
3. Review policy structure to ensure inclusion of critical elements
4. Identify appropriate strategies and use of technology to optimize midline catheter outcomes

1 hour CEU available - BRN # 03947

Spreading knowledge. Preventing infection.™
