

MANAGING INFECTION PREVENTION CHALLENGES IN LONG-TERM CARE FACILITIES

Presented by the San Diego/Imperial County APIC Chapter

SAVE THE DATE: Friday, July 12, 2019

12:30 - 4:30p

Sharp Spectrum Auditorium San Diego
8695 Spectrum Center Boulevard
San Diego, CA 92123

Recently published federal regulations will have a considerable impact on how long-term care facilities address infection prevention and control. To help prepare these facilities for the change, San Diego/Imperial County Association of Professionals in Infection Control (APIC) will provide nursing professionals working in long-term care (LTC) with infection prevention and control information that are both elementary and unique to the LTC practice setting. Please join San Diego/Imperial APIC at this half-day conference offering.

- 3.0 CaBRN continuing education units
- Conference materials
- Lunch & refreshments
- Raffle entry for door prizes
- Vendor exhibit

Attendee Fee: \$40.00 (\$50.00 on day of event)

Stay tuned for registration and presentation details!
