

2022 APIC Conference Scholarship Grant Program

At UVDI, we recognize that evidence-based education, continuous learning and in-person engagement with your peers is key to your role and growth in Infection Prevention.

To help support your attendance of **APIC 2022, June 13-15** in Indianapolis, Indiana, UVDI will be awarding **5 Conference Scholarship Grants**.

UVDI will select 5 grant recipients to receive a **\$1,500 gift card** to apply against travel and registration fees.

To apply for a Scholarship Grant, please complete the online application and include:

- Current employment in Infection Prevention, along with hospital or facility name and tenure
- Share recent project experience where you led the implementation of UV room disinfection to improve environmental hygiene
- **Note:** you may also nominate a colleague

To apply, please visit
www.uvdi.com/apic2022

Application Deadline:
Thursday, May 5th

**Grant Recipients
Will Be Notified:**
Tuesday, May 10th
