

May 5, 2023 California APIC Meeting & "Leg Day"

Legislative Day is officially less than 3 months away! This year, Legislative Day will be in person in Sacramento, CA on **Friday, May 5, 2023** (World Hand Hygiene Day).

In order to help you prepare for the visit, we have compiled the following helpful information about the day.

- 1. Begin booking your appointments** with your assembly members/ senators. Here's the link to find out who represents you based on where you live. Remember you are representing APIC, not your employer. <http://www.assembly.ca.gov> and click on "Find My District".
- 2. The Schedule** for the day is: meet at the Capitol steps at 8:30AM, meetings can begin at 9:00AM. Lunch at Shriners hospital at 12:30 followed by guest speaker, business meeting and then concluding for the day. If you are booking flights, it is best to book a flight that departs after 4PM.
- 3. RSVP.** If you have never gone to Legislative day, we can pair you with someone that has gone before please let us know this information by RSVP'ing and indicating whether or not you've attended legislative day previously or not.
RSVP here: <https://forms.gle/MtQzFxZ7N1sVvLgt6>
- 4. Review advocacy packet** to help prepare for legislative day among chapter members. http://www.apic.org/Resource_/TinyMceFileManager/Government_Affairs/2018/APIC_VIPAdvocacyToolkit18.pdf
- 5. Share this information** with your local chapters at your upcoming meetings and in any correspondence you send out. We have not had legislative day in person since 2019 and are very excited to gather as many interested people as possible.
- 6. Hotel accommodations.** Please see our website for hotels that are close by: <https://community.apic.org/cacc/events/meetings>

For any questions about the above information, please email Jarrod Jarrod.Becasen@palomarhealth.org or Jessica Rosende: jessica.silvaggio.rosende@gmail.com

We look forward to seeing you soon at the March meeting.

Best,
Jessica
