## Committed to Helping

UVDI is proud to present this comprehensive Continuing Education webinar series to help support your growth and development of Leadership skills. To help foster effective and rewarding collaboration amongst your facility's diverse Teams. And to ultimately support you as a Leader and Change Agent to drive better Patient Outcomes.

We hope you will join us and expert Healthcare Leadership trainer Dr. Hudson Garrett, Jr. for education, development and camaraderie. *Together, we can create a brighter future.*

Sincerely,

Peter Veloz  
CEO, UVDI

## Who Should Attend?

This webinar series is ideal for a range of Healthcare leaders: administrators, Infection Preventionists, Quality Improvement professionals, Environmental Services professionals, Value Analysis professionals and clinicians seeking to drive positive change in Healthcare settings. Whether you are a seasoned Healthcare leader or aspiring to advance your leadership skills, this webinar series will equip you with the tools to foster a collaborative culture and ultimately improve patient outcomes and Healthcare value.

## Continuing Education Accreditation Offered:

This webinar series is approved for 3.0 hours of CE Credits for registered nurses. CHA is an approved provider by the California Board of Registered Nursing. CE Credits will also be awarded for Certified Value Analysis Healthcare Professionals. IPU Units will be awarded for Certified Infection Preventionists.

## Webinar #1: October 12, 1:00-2:00 pm ET

### Empowering Healthcare Leaders: Principles of Collaboration and Leadership

#### Webinar Description:

In the pursuit of delivering high-quality patient care and optimizing Healthcare outcomes, collaboration and effective leadership play a pivotal role. This webinar will address two critical aspects that are at the core of delivering Value-Based Healthcare: effective collaboration and leadership to drive better patient outcomes. Participants will gain valuable insights into enhancing patient safety, optimizing resource utilization, and fostering a culture of collaboration among healthcare teams.

#### Key Webinar Topics:

- The Power of Collaboration in Healthcare
- Leadership in Driving Better Patient Outcomes
- Data-Driven Insights for Value-Based Healthcare:
- Building Resilience and Adaptive Leadership in Challenging Times

## Webinar #2: November 9, 1:00-2:00 pm ET

### Elevate Your Leadership with TeamSTEPPS: Collaboration and Communication Skills

#### Webinar Description:

This webinar explores how this evidence-based teamwork system, TeamSTEPPS, can revolutionize Healthcare leadership, fostering collaboration, and optimizing patient safety and satisfaction. TeamSTEPPS is an evidence-based system developed by the Agency for Healthcare Research and Quality (AHRQ) to improve communication and teamwork among healthcare professionals. In this interactive webinar, participants will gain valuable insights into leveraging TeamSTEPPS to enhance leadership skills, strengthen team dynamics, and transform Healthcare delivery.

#### Key Webinar Topics:

- The Science behind TeamSTEPPS
- Transforming Leadership with TeamSTEPPS
- Nurturing Effective Teamwork and Communication
- Enhancing Patient Safety and Satisfaction
- Measuring Success and Sustainability
- Building Resilience and Adaptive Leadership in Challenging Times

## Webinar #3: December 14, 1:00-2:00 pm ET

### Leading from The Front: Becoming a True Agent of Change to Improve Clinical Outcomes

#### Webinar Description:

This empowering webinar will focus on the attributes and strategies that distinguish exceptional Healthcare leaders who lead from the front. Attendees will gain valuable insights into how to proactively address high-risk pathogens in the environment while fostering a culture of continuous improvement and patient safety through strong leadership.

#### Key Webinar Topics:

- The Essence of True Leadership in Healthcare
- Transformative Leadership for Infection Prevention and Control
- Communication as a Catalyst for Change
- Driving Positive Clinical Outcomes:
- Creating a Culture of Continuous Improvement
