

BEATING THE ODDS AGAINST INFECTIONS

MEET THE FACULTY

CHERON ROJO

CRCST, CIS, CER, CFER, CHL, and FCS (Fellow)
Senior Clinical Education Specialist for Healthmark, A
Getinge Company

Mr. Rojo has over 35 years in the Sterile Processing arena as a Sterile Processing Technician, SPD Educator, an Instrument Coordinator, and a Surgical Technologist in the Surgical realm. Mr. Rojo is currently the Senior Clinical Education Specialist for Healthmark Industries and has been with the company for over six years. and is currently on the board as President for the PWSPA (Pacific West Sterile Processing Association) Chapter that covers California, Nevada, Arizona, and Hawaii.

He is currently on the ANSI/AAMI working groups for ST79, TIR99, and the co-chair for PB70 Protective Barriers. Mr. Rojo has also taught the CRCST and CIS courses since 2006 for new and existing Sterile Processing technicians. Mr. Rojo has also presented at seminars globally for numerous organizations like; APIC, SGNA, AORN, CBSPD, HSPA, and WFHSS with topics relating to the Periop arena, specializing in effective communication and insulating testing, and the struggles of Sterile Processing today.

Mr. Rojo is a published author in the AORN Journal and in Surgical Products. Cheron Rojo is a member of HSPA and named the 2018 "Educator of the Year" by the Golden West Central Service Chapter. He also received his (FCS) Fellowship through HSPA in October of 2021 on a study regarding the issues surrounding insulation testing and was published in the PROCESS magazine for HSPA in 2019 and 2023. He is a great advocate for nurturing education globally and believes "Attitude is Everything!"
