

# BEATING THE ODDS AGAINST INFECTIONS

## MEET THE FACULTY

## PETER GRAVES

BSN, RN, CNOR

Independent Perioperative Consultant, Clinical  
Solution, LLC

Peter B. Graves, is a well-regarded perioperative nurse consultant with a passion for surgical infection prevention and evidence-based best practices. With over 30 years of experience in nursing, Peter has established himself as a leading authority in his field.

A graduate of Northern Arizona University's Bachelor of Science in Nursing program, Peter is a certified operating room nurse (CNOR) and has published numerous papers in peer-reviewed journals. He has also authored chapters in several prominent textbooks and has presented extensively on topics such as infection control, latex allergy, and patient and staff safety. Peter has spoken at numerous conferences and expos around the world, including the AORN Expo and Congress, ANCC Magnet Hospital conference, American Nurses Association, and others. He has also chaired several national AORN committees and served as a national board of directors' member.

In addition to his professional work, Peter is an active member of the CCI Research Foundation, a non-profit organization dedicated to funding perioperative nursing research. He is a founding director and is the current Treasurer/Secretary. When he's not working, Peter enjoys spending time with his family and two dogs. He is also dedicated to giving back to his colleagues, having helped countless nursing professionals develop manuscripts and posters. Overall, Peter's extensive experience, expertise, and passion for perioperative nursing make him a highly respected and sought after speaker and consultant.
